

**PTA Meeting October 10, 2006**

**Discussion on Physical Education by PES PE Instructor Mr. Tony Bolduc**

**HIGHLIGHTS**

- Mr. Bolduc wants to get the kids to learn movement concepts. He has worked on teaching the kids to use their bodies and he is teaching them terminology.
- He gives tests by giving the kids pedometer and has them choose their activity.
- Mr. Bolduc encourages parents to get out and get moving with their kids.
- Mr. Bolduc will also start teaching kids about nutrition. He also wants to start a PE family night. They are working on hiring another PE teacher so he can teach more on nutrition and work one on one with special needs kids and shy kids.
